Classes are taught by Loma Linda University Grad Students and designed to inspire tomorrow's health-care providers today. The Little Medical School programs offer the opportunity for kids 5-11 to explore medical science and health in a whole new way! With STEAM concepts and hands on activities, children are inspired to think critically and creatively about health, wellness and safety. Veterinarian hands-on 5 day program includes;

- 🐾 Day 1: What is in the Veterinarian's Office-See and complete a head to tail assessment and exam on a dog.
- 🐾 Day 2: The ABCs of Dog Care-Proper nutrition and hydration needs of dogs.
- 🐾 Day 3: Dog Digestion-Dog anatomy and process of digestion.
- 🐾 Day 4: Sick of Ticks!-Know about ticks, tick removal, and medication administration.
- 🐾 Day 5: Dog First Aid-Basic dog first aid for burns, cuts, and broken bones. Learn to splint dog's broken bones.
